

## Advanced Metalworking

---

### Manufacturers' Society of Forsyth County Sponsors 2014 Manufacturing Bootcamp

**April 22, 2014 (Alpharetta, GA)**—[Metcam](#), a fabricator of sheet metal components and assemblies for OEMs, today announced that the Manufacturers' Society of Forsyth County, which Metcam helped found in July 2013, held its first 2014 Manufacturing Bootcamp on April 21, 2014. Metcam was a co-sponsor of the event, which was held at the Forsyth Conference Center, 3410 Ronald Reagan Blvd., Cumming, GA 30041. The day-long workshop offered Georgia manufacturing companies a variety of helpful sessions on issues ranging from lean manufacturing to safety.

Specific programs at the event included:

- Tax Credit Programs for Manufacturing Companies
- Hiring/Training Programs for Manufacturers
- Lean Manufacturing Principles
- Top OSHA Regulations for 2014

“Metcam believes in the value of a professional society where local manufacturers can come together to learn, share ideas and information, and explore their mutual concerns,” said Metcam President Bruce Hagenau. “We were proud to help found the society and we continue to give it our full support through such events as this boot camp.”

#### **About Metcam**

Metcam is a fabricator of precision sheet metal components and assemblies for original equipment manufacturers (OEMs) representing a wide variety of industries including telecommunications, electronics and HVAC. Metcam's advanced metalworking capabilities include laser cutting, punching, forming, hardware insertion, welding (including robotics), powder painting, silkscreen and parts assembly. Metcam also assists clients with product design and manufacturability to reduce their total cost of production. Metcam's award-winning service, combined with an aggressive focus on quality, environmental management and lean manufacturing, simplifies the outsourcing decision for firms worldwide.
